# **An Introduction to Shropshire Sheep**

The Shropshire has long been an integral part of the sheep scene in Britain. The breed emerged in the mid-1800s from improvements to the native heath sheep of its home county and north Staffordshire to become the supreme meat breed of the late nineteenth century. Founded in 1882 and publishing its first Flock Book in 1883, the Shropshire Sheep Breeders' Association and Flock Book Society has the distinction of being the oldest recorded sheep breed society in the world.

Shropshires were exported in vast numbers to the world's developing agricultures, especially to North America and the colonies. In recent years export sales have established a new European profile for the breed with Shropshires sold to Austria, Belgium, Denmark, France, Germany, Ireland and Switzerland.

The Shropshire breed is now primarily used for crossing to produce prime lamb for slaughter. Docile and hardy, with a sound constitution, thus enabling efficient flock management with minimal time and effort, the Shropshire adapts well to organic systems, gaining weight mainly off grass. Lambing returns of 160-180 per cent are regularly recorded by breeders and commercial producers alike.

A major attribute is the breed's ability to graze reliably amongst conifers without damaging the trees. Its value as an eco-friendly, cost-effective weed suppressant is increasingly borne out on large plantations in Ireland, Scotland, Scandinavia and Switzerland.

Shropshire rams are robust with good conformation. They are renowned for producing strong, active lambs with quick growth rates and lean, long, top-quality carcasses.

Shropshire ewes make excellent mothers. Long-lived, milky and prolific, they successfully rear multiples, producing lambs over many years.

# Facts and Figures

## Wool Properties

The Shropshire clips a heavy, dense fleece of good staple and fine texture. The average weight of a fleece is 3-4 kg, and the average length of staple is 10cm. The wool has a Bradford count of 54-56 (32 micron), does not felt and is in demand for traditional hand-knitting.

## Crossing Attributes

When used as a terminal sire for prime lamb production, Shropshires are recognised as excellent crossing rams thanks to the superior conformation, growth rates and carcass quality of their lambs. Pure-bred and Shropshire- cross lambs are typically ready for slaughter at 12-15 weeks old, with a typical carcass weight of 18kg and MLC carcass classification of U3L . The resultant meat is lean, succulent and rich in flavour, and contains a low percentage of bone.

## Official Breed Description

The Shropshire is medium sized, with typical mature rams and ewes weighing 120kg and 80kg respectively. Shropshire Sheep are active and alert with a free action.

Head	naturally clean soft black face, with a covering of wool on the poll. Rams should possess a bold masculine head
Ears	soft black in colour, of medium length and well set on
Neck	muscular and not too long
Body	well fleshed, long, deep and symmetrical. A broad, straight back with well-sprung ribs. Rump - quarters long and wide, dock well set on and legs of mutton full and deep

# **Secretary's Report to the 2002 Annual General Meeting**

Madam President and Society Members,

It is with pleasure that I present my third annual report, I have recently noticed that I am only the ninth secretary over the 120 years of the Society. Following last year it can only be an improved year but I am sure that many sheep keepers still feel that whatever we do, it is, 'Defra permitting' – even checking whether trailers are satisfactorily cleaned and disinfected and of course whether we carry and have put the paperwork into order!

I feel that it has been an improved year for the Society because of a gentle stream of enquiries, many from tree growers and this is a positive sign and during the year as the movement restrictions eased a little, some showing has begun again.

In mid-June the East of England Show held at Peterborough tried hard to make cattle, goat, pig and sheep keepers extremely welcome but the numbers of sheep were dramatically down from year 2000. Retired council member, Paul Holdaway judged the Shropshires of Lindy Gerard and the Newman family. L Gerard's ram took the championship with Newman's ewe lamb in reserve: L Gerard also gained the Peter Robert's Trophy for the best shearling ewe. I suspect that the show organisers were disappointed with numbers passing through the gates although many Defra officials were expected on Sunday am. and my word the animal areas were lighted by the luminous notices – warning people from touching the (dangerous?) animals.

A few days later at the Shropshire and West Midlands Show held at Shrewsbury, there was more competition with 5 animals in some sections and Mr J Davies as judge. The ram section was won by Mrs E Stewart; the ram lamb was awarded to Mrs M Farquhar whose ewe lamb was selected as breed champion with the breeding ewe of Mr & Mrs R B Higgins in reserve. Mrs M Farquhar went on to win the Mansell Memorial Perpetual Challenge Cup for the best ram, the Tern Perpetual Challenge Salver for the best Female Exhibit and the Stephen Pettifer Memorial Challenge Vase for the best group of three.

It was very disappointing that on 14<sup>th</sup>. May the Royal Agricultural Society of England made the decision not to allow any sheep to be present at the show and then on 27 May the decision was reversed and sheep would be made very welcome. There was insufficient interest from Shropshire keepers; plus the new arrangements that the show were imposing would not make for a very swift arrival at the show, following long journeys. Therefore, President Sue Shimwell sent an excellent letter expressing the concerns of SSBA members, this plus the other letters are available today.

The Royal Welsh show was particularly busy with impressive sheep entries as I have heard also at the distant Highland Show. The Royal Welsh has been reported to have had the best atmosphere of many shows this year. Past president and keen showman of the Shropshires, J Bowles judged and R & B Higgins took 1<sup>st</sup>. prize with their ram, ram lamb and breeding ewe. In the shearling ewe and ewe lamb sections Mrs M Farquhar won 1<sup>st</sup> and 2<sup>nd</sup> prizes and also won the group of two females with a ram. The Dew Memorial Trophy for the group of shearlings, ewes with a ram, was won by Mrs E Stewart. The overall champion, gaining the Stonehill Perpetual Challenge Cup was won by Mr & Mrs R & B Higgins with the shearling of Mrs M Farquhar as reserve. Competition was keen in all of these classes.

Moving on to the beginning of August, it was a damp day in Burwarton and it gradually got wetter! R J Webb cheerfully judged the Shropshire section. Mrs M Farquhar had a very successful day and again took home the Freckenwell Challenge Cup awarded to the champion exhibit. It was the first time showing for Messrs Scurfield and Toulson who were very much encouraged, advised and photographed around the ring. More Shropshire show folk are urgently needed, come and have a try as the classes at many of these events will be lost and Shropshires will be back in the Downland groups that they worked so hard to leave, around a decade ago.

A few days later at Oswestry competition was keenest of all the Shropshire classes this year for Mr J Doughty to judge. The ram and ram lamb rosettes were won by Mr & Mrs R & B Higgins sheep. The shearling ewe section was won by Mr G O Jones, also the group of three and the championship with the Perpetual Challenge Trophy presented by Mrs Schofield and Mrs Shimwell. The reserve champion

and the Oswestry Trophy went to Mr & Mrs R & B Higgins with their breeding ewe whilst the ewe lamb of Mrs M Farquhar won its class.

Finally in early September, Shropshire classes were held at Moreton-in-Marsh in the RBST section of the show, the organisers of this show have been very keen to have a Shropshire class for several years but it has always clashed with the RBST Show and Sale. With Stoneleigh cancelled this year it was hoped that more interest would be created at the show. Arrangements were quite complicated and difficult but with 3 exhibitors it is hoped that Shropshire classes will continue – dependant on RBST plans. This September the judge was Yvonne Clinton-Palmer, a keen shower of the breed. The ram section was won by A Baldwin: the breeding ewe by L Gerard and the ewe lamb which was selected as breed champion thus gaining the S J Wood Perpetual Challenge Cup by C Wadland with L Gerard's ewe as reserve.

For the third time the Society organised a Show and Sale on 10<sup>th</sup>. August at Worcester Market. The sale began with a surprise, President Sue Shimwell presented a decanter to Clive Roads as a long service award from SSBA. Earlier at the Royal Show Dick Dorrell had also been surprised when presented with a pair of silver photograph frames, also a thank you token from the Society for years of service – Congratulations and thank you.

At Worcester the Show was judged by B Higgins. It had been hoped that this would be a joint event with the Bleu-de-Maine Society but they dropped out. Some animals sold well but the entry was disappointing. The event was kindly sponsored by Bocm-Pauls – feed and seed merchants and Macartneys – Auctioneers.

Because there was no main sale event at Stoneleigh a great many new sale venues have suddenly arisen –some in conjunction with RBST groups, SSBA needs feedback – I have heard of keen sheep sales on 31 August at Newark Market where 150 sheep were for sale. Only a small number of Shropshire rams were entered at the Annual NSA ram sale at Bulth Wells on 23 September which continues to be an official SSBA Sale. It was reported to me that there were plenty of buyers for over one hundred sheep at a Carlisle sale held on 5 October with two Shropshire breeders pleased with their sales, having travelled shorter distances than Stonleigh would have required. A sale takes place today at York Livestock Centre, I understand that approximately 50 sheep are

entered. Lets hope these new sale venues around the country will create and further interest in the traditional British breeds.

The breed demonstration stand has been staged at several shows again this year. S W Sheep, the Royal Show, Sheep 2002 at Malvern and the Royal Welsh Show. It is a very important method of promoting the breed; as always, I would like to thank the few members who manage to organise and 'people' the stand at these events. We shall hear later with the Sales Officer of the interest raised at the events and also from the Export Officer. The merchandise and wool continues to create much work and interest, the quality is very high and the products delightful. Have you considered this as a fun and fashionable way of promoting your sheep? We shall hear more details from Mrs C Wadland about the Wool Project later.

Sadly I report to you the death of Arthur Newbould of Old Yarr, besides keeping Shropshires and a wonderful garden, Arthur had painted the Shropshires from which cards were produced and are still amongst the cards in the merchandise. I had a wonderful letter from Mrs Newbould thanking the SSBA in response to the letter sent for the Society. Also the death of V Pugh OBE, and JP. In 1987 he had been awarded the George Hedley Memorial Award, annually presented by NSA to an individual who promotes the sheep industry. As far as I am aware, since 1961 the beginning of this award, Mr Pugh is the only member of the Society to have achieved this honour. I will also mention that a card is being passed round to send good wishes to Lindy Gerard who is suffering ill health and has retired from showing having enjoyed a very successful year and is disposing of her flock.

Finally, I would like to thank members of Council for their support and patience and my husband Les for allowing me the use and support of his office and staff.

# **Regulations and Conditions of Entry into the Flock Book**

1. All registered Flock keepers must keep a private Flock Book (to be produced to the Council Editing Committee if called upon to do so), otherwise they will be barred from registering their flocks, as it is obvious no truthful pedigree can be given unless such a course is adopted.
2. Rams to be eligible for entry must be named. No name which has already appeared in the Flock Book can be duplicated. If this regulation is not observed, the Editing Committee reserve to themselves the right of re-naming the ram.
3. No ram will be eligible for entry unless bred by a breeder whose flock is already entered in the Flock Book or accepted for entry in any forthcoming volume.
4. No ram shall be eligible for entry unless the names and numbers of the Sire and the Sire of Dam be given, along with the registration number of the Sire of the Grand Dam.
5. The Council reserve the right of declining any entry, if so recommended by the Editing and Inspection Committees.
6. No breeder's entry will be included unless he/she complies with the following conditions:
  - a THAT THE WHOLE OF THE SIREs used in the flock from the date of the first registrations be inserted into the relevant Flock Book, and that every ram used subsequently must be entered year by year.
  - b If required, satisfactory proof must be given of the means by which persons registering rams have hired or purchased them.
7. No pure bred breeding ewes can be introduced into a registered flock except from that of another registered breeder (i.e. a breeder whose flock is recorded in the last published volume of the Flock Book at the time the stock were disposed of, and the owner must furnish the Editing Committee with particulars of numbers and breeding, otherwise his/her entries will not be considered.
8. Any graded up females shall be inspected for full registration as pedigree ewes at the fourth generation and only accepted for entry subject to a satisfactory report by a Society inspector.
9. When a flock is advertised to be wholly dispersed, no portion of that flock shall be entered by the vendor when first entering a new flock. If any portion of the flock so advertised is reserved, the sexes, ages and numbers thereof must be fully stated in the catalogue.
10. In case the Council at any future date discover an inaccuracy or fraudulent entry, they reserve the right to cancel such entry and/or expunge the flock in question from the Flock Book.

# SSBA Official Ear Marking System

The Society's official earmarking requires the following to be adopted by members:

All lambs, before they are over two months old must be either tagged or tattooed. This must contain the consecutive number of each lamb born, the year in which they are born, breeder's flock designation letters and the official Defra flock Number.

Sheep born after 1<sup>st</sup> December 1999, when reaching six months old require a second tag/tattoo in order to verify their identity should they lose the first tag/tattoo. This second tag/tattoo contains the same information as the first tag/tattoo.

Replacement tags should always contain the sheep's original identity.

Sheep will not be accepted at shows or sales unless properly tagged/tattooed.

New Defra regulations state that every sheep born after 1<sup>st</sup> February 2003 is uniquely numbered.

i.e. 001 03 AA UK 301102

001	03	AA	UK 301102
Sheep	Year	Flock	Defra Flock No.

Tags must be officially printed, not hand-written. They can be any colour except RED. Tattoos must also carry the flock mark but need not include UK.

Each member must keep a private flock book reflecting a reliable system of earmarking, so as to identify each sheep, and be prepared to produce the same for inspection by the Society's officers. The Society now operates a computerised ewe and ram registration scheme. This assists both the Society and the flock owner in determining sire and dam lines.
